Client Notes

Invoice Notes specific to each customer or subscription can be provided. It can also be set up at a Plan, Addon, or Coupon level, to ensure they are included only when that specific item is part of the Invoice.

Admin Notes

Lorem Ipsum is simply dummied text of the printing and typesetting industry.

Terms and Conditions

Each and every commercial transaction is actually a contract between the Seller and Buyer and minus writing expressing the terms, it becomes an oral contract with all the problems inherent in proof and expense that oral contracts necessarily entail. (See the Article on the Web Site relating to Contract.) Put simply, it will be a question of veracity as to who the judge or jury believes in any dispute as to what were the terms of the agreement and such uncertainty is precisely what businesses must avoid.
